Dear Judge Koeltl:

I write with the consent of the government to request that Mr. DeJesus's sentencing, which is now scheduled for November 29, 2022, be adjourned to by approximately three weeks. Specifically, if possible, I request that sentencing be adjourned to one of the following times when both parties are available: December 15 at any time, December 19 in the morning, December 20 at any time except between 11:00 a.m. and 2:00 p.m., or December 22 at any time.

I make this request because the final presentence report is not yet available and because I need additional time to collect mitigation materials in order to represent Mr. DeJesus effectively at sentencing. As noted, the government consents to this request.

Sincerely,

/s/
